

# DE21XSA150KN3AY02F

In Production

General

RoHS

REACH

125  
°C max.

Safety  
standard

Flow OK

## Appearance & Shape

## References

| Packaging | Specifications | Minimum Order Quantity |
|-----------|----------------|------------------------|
| A         | Ammo Pack      | 900                    |

## Notices

X1/Y2 Class Certified Products, Halogen-free Products,  
Rated Voltage : AC400V,DC1kV

**Attention**  
1.This datasheet is downloaded from the website of Murata Manufacturing Co., Ltd. Therefore, it's specifications are subject to change or our products in it may be discontinued without advance notice. Please check with our sales representatives or product engineers before ordering.  
2.This datasheet has only typical specifications because there is no space for detailed specifications.  
Therefore, please review our product specifications or consult the approval sheet for product specifications before ordering.

# DE21XSA150KN3AY02F

## Specifications

|                                                  |                        |
|--------------------------------------------------|------------------------|
| L size or Outer diameter D                       | 6.0mm max.             |
| T size                                           | 6.0mm max.             |
| Lead spacing F                                   | 7.5±1.0mm              |
| Lead diameter d                                  | 0.6±0.05mm             |
| Paint dripping e                                 | Up to the end of crimp |
| Capacitance                                      | 15pF ±10%              |
| Rated voltage                                    | 400Vac(r.m.s.)         |
| Temperature characteristics                      | SL(JIS)                |
| Temperature range of temperature characteristics | 20°C to 85°C           |
| Operating Temperature Range                      | -40°C to 125°C         |
| TC                                               | +350 to -1000ppm/°C    |

### Attention

1.This datasheet is downloaded from the website of Murata Manufacturing Co., Ltd. Therefore, it's specifications are subject to change or our products in it may be discontinued without advance notice. Please check with our sales representatives or product engineers before ordering.

2.This datasheet has only typical specifications because there is no space for detailed specifications.

Therefore, please review our product specifications or consult the approval sheet for product specifications before ordering.

# DE21XSA150KN3AY02F

## Characteristic Data

The charts below may show another part number which shares its characteristics.

### Attention

- 1.This datasheet is downloaded from the website of Murata Manufacturing Co., Ltd. Therefore, it's specifications are subject to change or our products in it may be discontinued without advance notice. Please check with our sales representatives or product engineers before ordering.
- 2.This datasheet has only typical specifications because there is no space for detailed specifications.  
Therefore, please review our product specifications or consult the approval sheet for product specifications before ordering.

# DE21XSA150KN3AY02F
